how the new testament canon was formed - church history 101 - 3 the new testament canon
developed, or evolved, over the course of the first 250-300 years of christian history. if the new testament had
been delivered by an angel, or **celebrating the mass through the ages - usccb** - the roman state forbade
christian temples or churches. normally they selected a home large enough to accommodate as many as a
hundred people, either in a big hall or an atrium.
